Letter of recommendation

Dears,

we are very pleased to cooperate with such a professional and well organized dance group as is Katja Dance Company. As a charity club we are part of an international Rotaract organization, that brings together over 6500 clubs in 180 countries around the world and we are also part of the Rotary organization. With organizing charity projects we collaborate with many partners and performers and we can say, that Katja Dance company is definitely among the best and most responsible.

We started our collaboration in December 2018 when we organized an event for giving gifts for children from socially disadvantaged groups. Katja Dance Company and her dancers donated a charity performance The Help and then collaborated with us twice more. In January 2019 we co-organized a charity multimedia dance show Life is a value.

All the performances were superbly performed and the children and other visitors found them very amusing, emotional and also instructive. Each member is closely involved in the dance group and does their best on stage for a quality performance.

We really like to cooperate with Katja Dance Company because they are a serious partner, and their artistic content and performance impress every spectator. They are a wonderful group that do a lot of good and good with their performances.
